Financial information

- A total of \$6000 tax free is available for each scholarship. Fortnightly payments will be made for the duration of the scholarship, with the final payment of \$1000 on receipt of the approved student project report. Irrespective of where you undertake your scholarship, your payments will be via Lincoln University payroll;
- For taxation purposes applicants must be intending to undertake full time study in 2022 (Note: this can be any tertiary institute in New Zealand).
- All additional costs of the project e.g. travel to field sites, consumables etc are to be covered by existing research funds provided by the supervisor.

Work conditions

The minimum expected would be 10 weeks of work, at 37.5 hours per week to be worked between Monday and Friday inclusive, between the hours of 7 am and 9 pm. This includes a refreshment break of 10 mins within each 3-hour continuous work period, except for an unpaid meal break of not less than 30 mins. From time to time you may be required to work outside of normal working hours. Working hours are to be negotiated with your supervisor.
